Blanc Display Group Introduces New Label Organizer

Dover, NJ. Blanc Display Group listens to its customers and as such, the signage and display industry leader heeded the call from their clients to control the chaos of assorted labels in the production line. The solution? Blanc Display Group's Label Organizer. The durable, sleek black plastic receptacle with two rows to fit a variety of label spools that are secured by dowels in grooved channels creates a more efficient workflow, monitors label inventory and eliminates waste by storing a variety of labels in one central location. Its modest 24"w x 9"d x 10 1/2"h footprint allows for tabletop display or an easy wall mount option. The cost of this new addition to the Blanc Display Group merchandising line ranges from \$69.00 to \$41.50 depending on quantity ordered. The cost conscious price point makes the Label Organizer a must-have item for every department. For more information contact Blanc Display Group at 888-332-5262 or blancind.com.
